The Delph Management Story

Delph Management Ltd were on a quest in the summer of 2020 to find a new accounting/ERP system as they were told that their existing solution was end of life November 2020. This was no easy task with over 60 companies to set up, the challenge was on. The decision was made in August 2020 to implement Microsoft Dynamics 365 Business Central.

"We owe you D365 Experts and I would highly recommend them"

Why you chose D365 Experts?

"D365 Experts came highly recommended by our group auditors Moore Kingston Smith.

Why choose Dynamics 365 Business Central as the solution for you?

"We needed a new solution to replace our existing product which was due to be discontinued. When we were presented with the product demonstration of Microsoft Dynamics 365 Business Central we knew it was the right product with the correct level of flexibility to meet our complex needs" comments Ian Jones – Head of Finance

How was the Implementation Process?

"We were expertly led through the process by D365 Experts. They were always available no matter the time of day and no problem was too big. It was a very stressful time line for turn-around made very easy through the expert skill and knowledge from the team at D365 Experts. All deadlines were met and we now have a fully functioning fit for purpose system in place"

How have you found the support from D365 Experts?

"Excellent. I would highly recommend D365 Experts and honesty can`t fault them. Communication is great, solution is great and the product is fantastic"

I would definitely recommend D365 Experts. They had an immediate understanding of our needs and translated these into the system effortlessly.

"A special mention and thank you to all the D365 Experts team: John, Sue, Maria, Phil and Nick for all the hard work and getting us back up and running! We owe you"
